

# Tobacco Prevention & Education

Program goals are to keep children from starting to use tobacco and promote smoke-free environments. The program emphasizes school and community tobacco education programs, smoke-free environments, counter-marketing, surveillance, and tobacco cessation.

## Tobacco Free Lancaster County

The Tobacco Prevention and Education program collaborates with the Tobacco Free Lancaster County coalition, 19 local agencies and other individuals, to promote the following objectives for Lancaster County:

- Preventing and reducing tobacco use among youth and adults.
- Eliminating the public's exposure to secondhand smoke.
- Identifying and eliminating disparities related to tobacco use.
- Promoting tobacco use cessation among youth and adults.
